

The New York Botanical Garden
Collections Master Plan
Collection Development Worksheet 13 July 2004

Name of Collection or Garden:

- A. How should the diversity of the Collection or Garden evolve?
- B. Are there any specific taxa or groups not present that should be included?
- C. How could the Collection be displayed more effectively or what changes would you make to the Garden's design?
- D. How could interpretation be improved?
- E. How could horticultural care be improved?
