Digging Deep	Spotlights on a recent case study related to Public Horticulture. Must include: Introduction; Methodology; Outcome; Lessons Learned; Analysis; Photos		Spotlights on a recent case study related to Public Horticulture. Must include: Introduction; Methodology; Outcome; Lessons Learned; Analysis; Photos	
Small Garden, Big Impact		Share fresh perspective or lessons learned when making the most of limited resources in a small garden. May be a garden inside a larger garden, in a small community, or a small, public garden.		Share fresh perspective or lessons learned when making the most of limited resources in a small garden. May be a garden inside a larger garden, in a small community, or a small, public garden.
Also In This Issue	Pushing the Boundaries: Push the boundaries of thinking in the garden community! Urban futurists, how other industries help gardens, or how to engage visitors within a diverse and ever-changing society.	Multi-Disciplinary Feature: Highlights a public garden project or program or one on which a public garden collaborated.	Annual Conference Highlights: Send in your favorite moments, photos and experiences from this year's American Public Gardens Association Annual Conference!	Global View: A look at our industry from a global perspective. Profile of an international garden, or an in-depth look at an international industry topic. This fact based point of view includes references, sources, and photos.

American Public Garden Association reserves the right to only include a portion of an article submission in the printed magazine, with a lead to more information online, or conversely, to only mention the article in the print publication, which would be published in its entirety online. Every submission to the magazine must be accompanied by photographs or pictorial. See the photography guidelines in the media kit for information related to photography requirements.

Interested in contributing to Public Garden?

Submissions must comply with the complete Submission Guidelines, which can be found in our media kit and on [www.publicgardens.org](http://www.publicgardens.org). Email submissions to [PublicGardenMag@publicgardens.org](mailto:PublicGardenMag@publicgardens.org).
