

Terminal Supervisor/CEO Affirmation

This form is to confirm that _____ (Scholarship Applicant) has the support of their terminal supervisor/CEO (below) to apply for this scholarship and will be able to go the symposium or conference the applicant wishes to attend.

The scholarship provides complimentary registration for the professional development event as well as a travel stipend (\$650 for symposia, \$1,500 for conference). Symposia generally require 3 business days of travel and the conference requires a full business week. Attendees attend educational sessions as well as networking events.

I support the above's scholarship application, and should they be awarded the scholarship agree they will be able to attend their chosen professional development event.
